Community offers a variety of tables for a variety of purposes; including **training, multi-purpose, lounge & science**. A table is comprised of an open, flat surface supported by a base or legs. Tables may be used to hold articles such as food or papers at a convenient or comfortable height when sitting so they are often used in conjunction with chairs or stools. Sometimes tables are also used while standing.

**tables**

A comprehensive look at the Community table offering, which is great for gathering, dining and learning.
The Community brand manufactures furniture that works where we live for how we live.

From elementary schools to colleges, from the doctor’s office to the hospital and from courthouses to town halls, we provide solutions for the changing demands of our daily lives. Community’s offering of furniture is broad. It’s diverse. And it meets just about every need where you gather, dine and learn - no matter the industry or space requirement.

choose community

Gather. Coming together.

To relax, to learn, to dine, to work, to wait or just to be near others. Whatever the reason, Community provides all kinds of furniture for the places where people gather. Chairs, stools, lounge and bench seating that is designed and crafted for comfort and durability. Tables and casegoods for both work and play. From the smallest to the largest, anything and everything is just a call away.

Dine. Eating a meal.

Whether in a pub, a corporate cafeteria, a food court, a banquet hall, a hotel, restaurant or refined establishment, the basic needs are the same - a comfortable chair and a sturdy table. With time-tested selections of standards, mixed materials and customized solutions we’ve got a table and chair combination for you.

Learn. Gaining knowledge or skill.

From early childhood through college, and then continuing with career enhancements, life lessons and recreational enterprises, we constantly strive to improve ourselves. With seating, desks, training tables, storage and support devices, Community supplies the tools needed for teachers and pupils to achieve their goals, and to reach for new ones.

Give us a call and let’s learn from each other.

Where is Community specified?

Civic Centers  Churches  Doctor’s Offices  Training & Class Rooms  Schools & Universities  Restaurants  Hotels  Day Cares  Courtsrooms  Community Centers  Shopping Malls  Food Courts  Lounges  Office Environments  Night Clubs  Arenas & Corporate Suites  Hospitals  Anywhere that people Gather, Dine & Learn!

communityfurniture.com Visit our website to learn even more about Community and the products we offer. From craftsmanship to conservation, see how we build our products and at the same time are striving to preserve our environment for generations to come.

Choose a style and let’s get together.

Pull up a chair and let’s share a table.

- Chemical resistant laminate top and wood construction
**Natural Wood Finishes**

Every tree has unique and defining characteristics, similar to fingerprints. These characteristics include differences in color, grain configurations and texture. When specifying natural or light finishes, these markings are not masked and are easily detected. With this in mind, we hope you enjoy and appreciate the beauty of each tree’s fingerprints.

**DuraTex Low-Emission Finish**

To reduce hazardous emissions, we use a proprietary, specially designed top coat that offers exceptional hardness, abrasion and impact resistance while reducing hazardous or harmful gases.

To reduce hazardous emissions, we use a proprietary, specially designed top coat that offers exceptional hardness, abrasion and impact resistance while reducing hazardous or harmful gases.

**Options**

*Power & Data*

Multiple types of power source, data and wire management options are available for most Community tables. Refer to the Community Price List for detailed specifications to fit your power and data needs.

**Shapes & Sizes**

Community has tables to fit most every specification need. Reference the Community Price List or contact our Customer Service Team to find out how we can find a space planning solution.

**Modifications**

Community willingly accepts customer modifications to standard products. Upholstery, backs, heights and arms are just a few of the modifications we have made for satisfied customers. Please contact our Customer Service Team to find out how we can work together to find a solution for your need.

**Shapes**

Community tables offer edges in a variety of styles and materials, to meet most any design need.

**ADA**

Community offers a range of tables designed to meet ADA standards for accessibility.

**Graphic Print Tops**

Some of our tops are available with four-color printed digital graphic tops with any edge option in a glassy or matte finish. Consult our Community Price List for set up fee and our Customer Service Team for artwork and size information.

**Laminates**

Community offers laminate tops for many tables as well as a full range of standard laminate choices from Formica®, Pionite® and Wilsonart®.

**BIFMA**

The Business and Institutional Furniture Manufacturers Association (BIFMA) is responsible for developing voluntary product and industry standards that support safe, healthy and sustainable environments. All of our products are constructed to meet and/or exceed BIFMA standards for performance, durability and structural integrity.

Enhance your Community furniture with a variety of options. There are options from personalizing to ganging and much more, contact our Customer Service Team for more information (888-422-5661) or visit our website (communityfurniture.com).

**Questions?**

www.communityfurniture.com
tables training, multi-purpose, lounge & science

Part of the Jasper Group family of brands, Community is furniture for public spaces.

The Community brand manufactures furniture that works where we live for how we live.

From elementary schools to colleges, from the doctor’s office to the hospital and from courtrooms to town halls, we provide solutions for the changing demands of our daily lives. Community’s offering of furniture is broad. It’s diverse. And it meets just about every need where you gather, dine and learn - no matter the industry or space requirement.
